**New Photo Greeting Cards for 2006**

AURORA, IL, January 8, 2006 – Stacey M Design introduces 25 new photo greeting cards in 2006. The cards are either 8.75 x 5.75 or 4x9 flat card with both the photo and greeting on the front. The cards are available to retailers boxed or through Stacey M Design's first Christmas Album. Consumers may affix their photographs to the card using double-sided tape provided on each card. Or, Stacey M Design will print a photograph directly on each card.

Designer Stacey Montgomery states: "I am very excited to add photo cards to my line. I started the company designing traditional Christmas cards. The photocards provide another way for my customers to share Christmas greetings to family and friends."
